

# **APTC AGENDA**

Date: September 2, 2014

As a Parent Teacher Club, our role is to enhance Arcohe School and its curriculum by providing extras that are over and above the necessities of the campus. We will have positive and helpful comments with all attending members feeling as though they have a voice and their comments are always welcome. We encourage any amount of help, no matter how big or small.

- ❖ Call the meeting to order
- ❖ Flag Salute
- ❖ Secretaries Minutes
- ❖ Treasurer Report

Anyone may address the Board regarding any item that is within the Board's subject jurisdiction. However, the Board may not take action on any item, which is not on the agenda. The matter will be placed on next month's agenda as voted by the board.
