LIBRARY USAGE

The Arcohe Resource Center is available to all Arcohe students. Students must accept the responsibility and care of books and items they borrow. In the event of loss, theft, damage or misplacement of an item, the student will be required to pay for or replace the item, title for title, before library privileges are returned. In the event a library book should get lost or damaged, students are encouraged to speak to the library coordinator.

Books are checked out for ONE week and may be renewed if book is returned on time.

If the library privileges are abused, they may be restricted or denied.

Your signature and the signature of your student(s), indicates that you agree to be responsible for the materials checked out from the library. You are responsible for any lost or damaged materials that your student(s) has checked out.

This form must be returned before your student is able to check out any library material.
